THE DEVELOPMENT

Applegate Park is a collection of 94 homes ranging from 1 to 4 bedrooms. Located on the edge of Kingsbridge, an estuary town in South Devon, the development borders open fields but is only a short walk from the town’s centre and quayside.

The development offers a range of contemporary house types that respond to the local landscape. The overall design language is one of style and functionality, using glazing to offer natural light and elegant living spaces — resulting in a collection of modern homes that sit sensitively within their surroundings.

Applegate Park is situated off Belle Hill, which leads out of Kingsbridge towards Totnes — giving easy onward access in all directions. The town itself has amenities and local facilities, combining convenience with the charm and beauty of a market town by the water.

Applegate comes from the Middle English 'applegarth', meaning an apple orchard. During the 19th century, cider was one of the chief exports of Kingsbridge and many farms in the area had their own orchard.

THE LOCATION

Kingsbridge is a charming market town in the South Hams district, on the banks of a stunning estuary. Situated in the heart of the South Devon Area of Outstanding Natural Beauty, the town is surrounded by picturesque rolling hills and offers a perfect combination of coastal and countryside living.

In the town, historic buildings sit alongside independent shops and cafés, and a farmers’ market selling local produce and crafts is held on the first and third Saturday of the month. Kingsbridge offers two superstores, a leisure centre, cinema, restaurants, pubs and art galleries, as well as healthcare services and schooling for all ages.

South Devon offers an abundance of rural views, rugged coastline and lively towns — a haven for walking and watersports alike.

Kingsbridge is only a short distance from South Devon's beautiful unspoilt beaches and sheltered coves, including East Portlemouth and Hope Cove.

6 miles down the A381 is the coastal resort town of Salcombe, which also provides access to the South West Coast Path for and its rewarding views.

The closest railway station is in the vibrant town of Totnes, 13 miles up the A381. This sits on the main railway line between Penzance and London for connections further afield.

The A379 road links Kingsbridge to Plymouth, and to Dartmouth along a scenic coastal route.
