Devonshire Homes endeavours to provide accurate and reliable sales details in order to provide purchasers with a valid representation of the finished houses. However, during the process of construction, alterations may become necessary and various changes and improvements can occur. Dimensions should be used as a guide only and should not be used to order carpets or furniture and customers should satisfy themselves of the actual dimensions of the property they are purchasing. Elevations, materials, style and position of windows and porches can all differ in the same house type from plot to plot. Purchasers should ensure that they are aware of the detail and finish provided in a specific plot before committing to a purchase.

THE DEVELOPMENT

The Grange is a collection of 225 homes, including one and two bedroom apartments and two to five bedroom houses. Located on the rural edge of Bideford, the development offers new homes close to open green space, but is conveniently placed for local facilities and connections further afield.

The Grange comprises a range of house styles, with carefully designed exteriors that blend with their surrounding environment. Each offers practical and modern interior living spaces, resulting in stylish homes that remain sympathetic to the local landscape.

The development provides easy access to the town centre across Bideford Long Bridge, and to the A39 Atlantic Highway which links North Devon and Cornwall. Local amenities on both sides of the river include supermarkets, restaurants, pubs, a leisure centre, and schools for all ages.

THE LOCATION

Bideford spans the River Torridge, which opens out to the sea five miles down the river. This stunning North Devon location offers a wonderful balance of coastal and countryside living in a thriving market town.

The town has plenty of cafés, pubs and restaurants for dining out, and the historic Pannier Market houses independent shops alongside artisan studios and a twice-weekly market. Victoria Park provides outdoor space for sporting activities, as well as play areas, a paddling pool, and the Burton at Bideford art gallery and museum.

The Tarka Trail, a 180 mile walking and cycling route inspired by Tarka the Otter's travels in the famous novel, passes through Bideford whilst taking in beautiful scenery. The nearby villages of Instow and Appledore sit on opposite banks of the River Torridge where it meets the River Taw at the estuary.

The North Devon coastline is a dramatic and diverse landscape, from tall rugged cliffs to long dune-backed beaches — rich in wildlife, and dotted with picturesque villages.

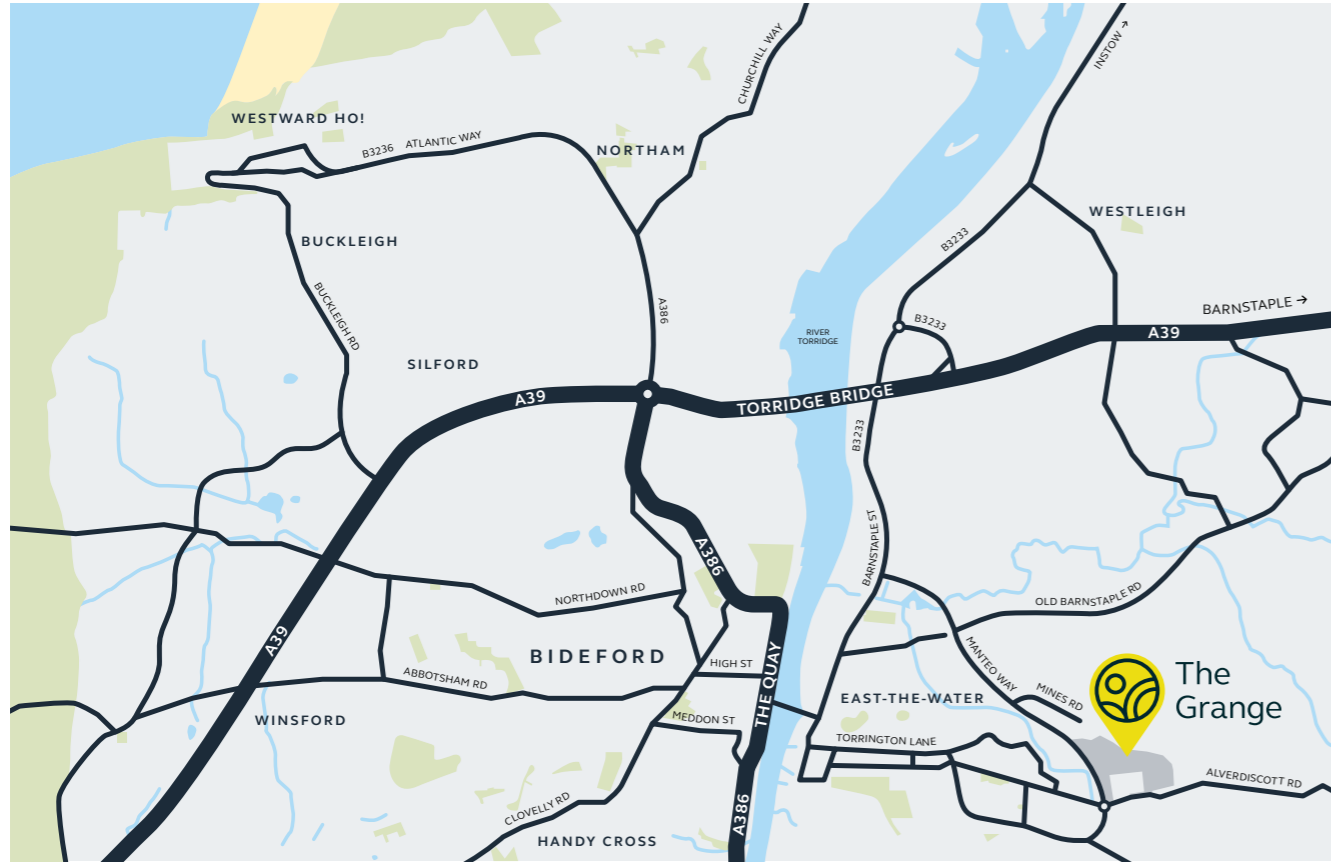

Bideford is only a short distance from the coast, much of which lies within the North Devon Areas of Outstanding Natural Beauty and can be explored walking the South West Coast Path which offers incredible elevated views.

The numerous beaches are popular with families and surfers alike, from the sandy stretch of nearby Westward Ho! to Saunton Sands, Croyde Bay

and Woolacombe Beach. A short drive away is the beautiful fishing village of Clovelly.

Barnstaple is just under 10 miles along the A39, where you'll also find the closest train station to travel the scenic Tarka Line to Exeter. The A386 leads down to the south of Devon for Okehampton, Dartmoor and Plymouth.
