## THE DEVELOPMENT

Longston Cross is a collection of 156 homes ranging from 2 to 5 bedrooms. Ideally located close to the town centre, the development borders open farmland that climbs up to the rugged beauty of Dartmoor and its most famous landmark, Haytor Rocks.

The various house types all draw inspiration from the local landscape to create a modern and comfortable home that sits sensitively in its surroundings. Each has been carefully designed to enjoy a sense of light and proportion.

The development is reached via Marriott Way leading directly off Monks Way, which provides easy onward access in all directions. The town of Bovey Tracey offers a wide range of excellent local facilities and amenities, and is a popular centre for arts and crafts.

**Longston Cross** takes its name from an old granite cross that stands beside the footpath that leads to Challabrook Farm. According to local legend it was used to mark the grave of a Royalist officer (called Longston) who was killed in the battle of Bovey Heath in 1646. It was here that Cromwell's troops defeated the Royalists in what was a regionally decisive battle during the English Civil War.

## THE LOCATION

Bovey Tracey is a popular country town with a strong sense of community. Called “The Gateway to the Moor”, it includes a wide range of shops and amenities set within a pleasant local environment. Green spaces, craft centres and classic Devon architecture all add to the town’s ambience.

Dartmoor National Park is a landscape of stunning views in the very heart of Devon, made famous by its granite tors, deep wooded valleys and rugged, wide-open spaces. This makes Dartmoor a haven for outdoor activities, including cycling, kayaking, hiking and riding.

The City of Exeter, with its historic cathedral and world-class shopping and dining, is only 15 miles from Bovey Tracey, and the beautiful South Devon coast is just 10 miles away.

2 miles away is the Devon Expressway, a dual carriageway linking Exeter with Plymouth.

The closest railway station is Newton Abbot, 7 miles from Bovey Tracey. This station links the main routes West (Plymouth and Cornwall), East (Exeter, London and North Devon) and South (Torbay).

Nearby highlights include Haytor Rocks, Becky Falls and the Templer Granite Way, an eight mile tramway that connected local granite quarries to the Stover Canal. Today the Templer Way Trail follows much of the original route from the moor to the sea.
